CERTIFICATE OF INTERNSHIP

This is to certify that **Mr. Apurv Jadhav** has successfully completed the Internship Program with Jio Platforms Limited, Mumbai from 5th December to 19th January 2024.

The project he was involved with was "**Basics of Java and Spring-boot Rest Api's. Worked on the "Black-listing & Grey-listing of 4G & 5G Customer's Mobile Devices registered via CEIR for JIO Platforms Limited".** and completed it.

CEIR is the citizen centric portal of Department of Telecommunications for tracing the lost/stolen mobile devices. It facilitates for blocking of lost/stolen mobile devices in network of all telecom operators so that lost/stolen devices cannot be used in India. If anyone tries to use the blocked mobile phone, its traceability is generated.

Once mobile phone is found it may be unblocked on the portal for its normal use by the citizens. Covered Rest Api's development and build a Peer-to-Peer online application for mobile customers, which could help them to trace their devices online via this application.

The project was completed successfully under the guidance of **Mr. Nilesh S Jain, Vice - President – Digital API Platform & Cloud-Native Solution.**

During his project work period, we found him, very sincere and hardworking.

We wish her all the best for her future.
